

Coprolalia

Coprolalia is the compulsive use of obscene, indecent words.^[1]

The term coprolalia comes from the Greek κόπρος (kopros), which is **excrement** and λαλιά (Ialia), which means **I say**.^[2]

According to the Tourette Syndrome Association, less than 15% of patients with Tourette syndrome have coprolalia, but it tends to get more attention than other symptoms of the disorder.
