Large portions of the article taken from Guyton and Halls Medical Physiology

--> fixed (rephrased and removal of text). --Paris Charilaou 23:06, 5 September 2011 (CEST)

It looks much better! There are a few issues yet but only a sentence here and there :)

The article is only about BBB so I would suggest moving the article and call it Blood-Brain Barrier as in my opinion it is a large (and important) topic and deserves a page on it own. -- Hanneke de Boer -- Editorial Board of
