

# Talk:Pectoralis Major

## Editorial process

**Items for editorial processing** • **breakdown** and **headings** • **wikilinks** • **grammar** and **typography**

**Checked items** • **sources** • **categories** and **portals** • **synonyms** • **images** and **licenses** • **citation**

You can read our help articles or simply ask anyone from the editorial board. We are ready to help you!

## Suggestion

I think “Pectoralis major muscle” would be a little more suitable. What’s your opinion? ---- - Jana Novotná 18:27, 19 July 2011 (CEST)
