

Template:Cc/documentation

This template allows to show the Creative Commons license at the file page. Use it as follows:

- **first parameter** tells what type of Creative Commons license is used

```
{{cc|by-sa}} ... Creative Commons Attribution-ShareAlike
```

- **second parameter** shows the version of the license

```
{{cc|by-sa|3.0}} ... Creative Commons Attribution-ShareAlike 3.0
```

- **third parameter** shows the country localization of the license

```
{{cc|by-sa|3.0|cz}} ... Creative Commons Attribution-ShareAlike 3.0 Czech Republic
```

This template is used automatically through the upload form.
