You can suggest a check of an article by including this template. The article will be checked by a pedagogue of our faculty - either we will choose the proper reviewer or you can suggest him/her by adding a name to this template.

How to use this template?

Insert this code to the top of the article:

```
{{Check}}
```

If you want to suggest the concrete reviewer, please write `{{Check | pedagogue's name}}`.

The article will be inserted into the category **Articles for check**
