Obligatory parameters are:

- at least one **author** or **corporation**
- **source_name**
- **cited**

Database

Database can be cited:

```
{{Cite
| type = db
}}
```

There are parameters for this type of citation:

- **source_name** – name of the database
- **subtitle** – subtitle
- **publisher** – name of the publisher
- **year** – year of publishing
- **responsibility** – author of organisation
- **date_of_revision** – date of the last revision of the database
- **cited** – date of your citation this database
- **url** – internet address

Obligatory parameters are:

- **source_name**
- **responsibility**
- **cited**
- **url**

Company publication

Company publication can be cited:

```
-----
```

```
{{Cite
| type = company_publication
}}
```

There are parameters for this type of citation:

- **corporation** – corporation
- **surname1, name1, surname2, name2, surname3, name3** – authors
- **others** – in case more authors – you have to mark "yes"
- **title** – name of publication
- **subtitle** – subtitle
- **url** – internet address
- **edition** – edition number
- **location** – place of publication
- **publisher** – name of the publisher
- **year** – year of publishing
- **range** – number of pages
- **series**
- **volume**
- **url** – internet address
- **notes**
- **pages** – number of used pages
- **isbn** – standart number of the book

Obligatory parameters are:

- **title**
- **publisher**
- **year**

Legislative publication

Legislative publication can be cited:

```
{{Cite
| type = legislative_publication
}}
```

There are parameters for this type of citation:

- **country** – name of country

- **notes**
- **pages** – range of pages you used
- **url** – internet address

Obligatory parameters are:

- **country**
- **document**
- **year**

Standard

Standard can be cited:

```
{{Cite
| type = standard
}}
```

There are parameters for this type of citation:

- **label** – number of standard
- **source_name** – name or title of standard
- **location** – place or town of publication
- **institution** – name of institution
- **year** – year of publication
- **notes**
- **pages** – range of pages you used
- **url** – internet address

Obligatory parameters are:

- **label**
- **source_name**
- **year**

Academic publication

Academic publication can be cited:

```
{{Cite
| type = academic_publication
}}
```

There are parameters for this type of citation:

- **corporation** – name of corporation
- **surname1, name1, surname2, name2, surname3, name3** – authors
- **others** – in case more authors – you have to mark "yes"
- **source_name** – name of publication
- **subtitle** – subtitle
- **location** – name of place or town of publication
- **institute** – name of institute
- **year** – year of publication
- **url** – internet address
- **pages** – range of pages you used
- **notes**

Obligatory parameters are:

- at least one **author** or **corporation**
- **source_name**
- **location**
- **year**

Lecture

Lecture can be cited:

```
{{Cite
| type = lecture
}}
```

There are parameters for this type of citation:

- **surname** – surname of teacher
