

Template:Verified/keep

Verified license after moving to Commons

This image has been moved to Wikimedia Commons and the license has not yet been checked by the person in charge there to match the one in the WikiLectures.

Don't tag it with a template yet `{{delete}}`, don't delete it and don't remove this template until you are satisfied that the Commons verification has been successful.

For details on how to move files to Wikimedia Commons, see Help.
