

User: Viktorie Koberová

Hello, my name is Viktorie and I am a 5th-year student of General Medicine at the 1st Faculty of Medicine of Charles University in Prague. I like walks in nature, sports, detective stories and painting.

I am most interested in **pathology and forensic medicine**.

My articles:

- Mummification
- Exhumation
- Hanging
- Digitalis and Strophantine
- Murder
- Cantaridine
- Atropine
- Lead
- Strychnine
- Adipocire

My pictures:
