ArticleScores

Hello, Josef! Can you give to mediawiki.org code of your extension ArticleScores? It can be very useful for another wikis, not only for WikiLectures/WikiSkripta. Username 10:50, 28 March 2012 (CEST)

> Hello, I'm afraid the code doesn't look the way I can be proud of ;-) But after upgrading it to MW 1.18, I will do it. --Josef Martiňák 11:12, 28 March 2012 (CEST)

Hello, Josef. I would like to delete images I downloaded in below link. How can I delete? Thanks. https://www.wikilectures.eu/w/Special:ListFiles

> Please send a request to info(at)wikiskripta.eu.
