

User talk:Protik

Welcome to WikiLectures!

First steps

- Help articles can really help you at the beginning. Our help section is short and useful! :-)
- Please, introduce yourself on your new user page.
- If you need to experiment or test your edits, you have your own sandbox prepared.
- You can ask for our cooperation on the support page.

We wish you easy working and studying at WikiLectures!

Breakdown

Hi Protik,

I have noticed that you have been checking breakdown and headings. You are doing it quite well, but sometimes you leave too much space between end of the part of the text and the next heading, this shouldn't be there. I have corrected it in couple of articles you have checked, please take a look at Cataract and compare it with previous version to see what you missed out. Keep up the good work.
