Hello, I have noticed that you inserted some text onto discussion page of WikiLectures talk:Contacts. That text definitely doesn't belong there so I have moved into you sandbox. Sandbox is a page that you can use for preparing and testing the articles you have created. If you are interested the is a help for users Help:Contents and if you are not sure with anything, please feel free to contact me or any other editor.

Thank you for using WikiLectures

Yours Sincerely
