

MediaWiki:Cca-agreement

WikiLectures are a free, open, non-commercial and non-profit project. Articles in WikiLectures are designed for medical students and professionals. They are written by students and specialists, however, anyone can contribute. Texts in process are not to be quoted. Articles checked by a lecturer at medical school are signed by this green stamp: .

I will release all my texts under the licence above. Details can be found at [WikiLectures:Author Law](#).
