

# Template:Merge

If you want to suggest merging one article with another, insert code `{{Merge|Name_of_article_with_which_shloud_be_merged}}` on its discussion page. All the pages marked by this template are automatically sorted to category Merge.

## Right example

- `{{Merge|Flu}}`

## This page should be merged with another!

This page contains the same information or is very similar to the article „Flu“. Please, try to insert the content of this page correctly. The information in articles should not be repeated. It is possible to move parts of the text. After you finish, create redirect to the finished article by inserting code `#REDIRECT [[Flu]]` in the empty page.

## Wrong example

- `{{Merge}}`

It is really necessary to write here, with pages should be merged!
