

# Template:Unify articles/documentation

To suggest that an article be merged with another, post on its talk page {{Unify articles|Page\_name\_with\_whom\_you\_want\_to\_unite}}. It is necessary to indicate with which article the page should be unified. Pages marked with this template are automatically categorized as Unify articles.

## Example of correct use

- {{Unify articles|plague}}

**Page must be unified with another one!**

 This page is thematically identical or very similar to the article „plague“. Try to incorporate its contents into it, delete the moved parts and finally insert the code on it when it is completely empty. #REDIRECT [[plague]] create a redirect to the completed article.

## Example of misuse

- {{Unify articles}}  
It is necessary to specify with which article you want to unify the page, see {{Unify articles}}!
