Kidneys

Dear GovSharma,

I've seen your new article Kidneys. It is very good article for beginning, but unfortunately the article about kidneys already exists. It's title is Kidney. If you want to continue in this topic, it would be better to add your information to article Kidney.

If you have questions, how to do it (or other questions about WikiLectures), you can ask me here on your talk page or you can send me an (**e-mail**) or you can ask my colleagues from editorial board.

Thank you for your contributions :-).
