WikiLectures competition

Hello Honkytonk,

it is a pleasure for me to announce that your article Goodpasture Syndrome won the **6th place**. It is a nice article, easy to read, straight on topic.

But that is not all! Your article Granuloma wins the **9th place**! It is a very good article, easy to read, but this topic would deserve more detailed introduction and some pictures (which were added later by someone else).

You can see other results at [Forum:Competition](#).

Please, contact us immediately at our editorial e-mail address and we will send you more information, when and where your prize will be delivered to you :-).

Thank you for your efforts to make WikiLectures better place for thousands of students. We appreciate it and hope you will continue in your contributions to WikiLectures.

Best regards, -- Slepí (Editorial Board of WikiLectures) 21:24, 15 April 2012 (CEST)
