## Copyright violation

Hello Martcas23,

I would like to thank you for your article Blotting Methods you did some time ago. It seems to be a very interesting text which could be useful for thousands of students of medicine. Let me ask you about the source of the images you used in your article. you declared that it is your own work, but I am not sure that you are the author of the photos and images. Can you please contact me and confirm that it is really your work? In other case we will have to delete your images and place some others in the text. You can visit Wikimedia Commons, where you will find a lot of free images... Thank you very much and enjoy the work with WikiLectures! -- Slepí (Editorial Board of WikiLectures) 13:53, 28 February 2012 (CET)
