

User talk:Nizar

Welcome to WikiLectures!

First steps

- Help articles can really help you at the beginning. Our help section is short and useful! :-)
- Please, introduce yourself on your new user page.
- If you need to experiment or test your edits, you have your own sandbox prepared.
- You can ask for our cooperation on the support page.

We wish you easy working and studying at WikiLectures!

References of you Article

Dear Nizar,

I would like to thank you for your amazing article Septation of Ventricles and Outlet of the Heart. I am sure, that it will be very helpful for many medicine students. I was checking your references and I can not to see articles (webpages) of these links:

- <http://www.ncbi.nlm.nih.gov/pmc/articles/PMC1767797/>
- http://wdn.ipublishcentral.net/wolters_kluwer/viewinside/26635280513016

Could you please write here titles of articles you used? I would like to find some way, how to post it for other users. Cant wait your future work. A lot of free space we have there :-). Anytime you have questions, do not be shy and ask please (me or my colleagues from editorial board).
