

# User talk:Santorini

## Welcome to WikiLectures!

---

### First steps

- Help articles can really help you at the beginning. Our help section is short and useful! :-)
- Please, introduce yourself on your new user page.
- If you need to experiment or test your edits, you have your own sandbox prepared.
- You can ask for our cooperation on the support page.

**We wish you easy working and studying at WikiLectures!**

Thanks, Billy!

My first question is, wheather there must be the Recapcha, again and again, when I want to save my changes. How can I get rid of it? I see, It is necessary to save it form robots, but I am person and will not damage existing articles.... Bye. --  Santorini 10:59, 14 November 2012 (CET)
