# User talk:Tess

## Welcome to Wikilectures!

**First steps!**
Our help articles and FAQ page will help you when getting started with Wikilectures. Do not be shy to ask anything at our FAQ page!

**Editing is so simple!**
Writing articles is so easy! Go to Getting started and Editing for some help and you can create your own aricles! If you are not sure about wiki markup, you can test it at Sandbox. Sandbox is page where everything is allowed! Feel free to edit articles. If anything goes wrong, we will help you.

**How can I discuss?**
Every article and every user has its own discussion page. Link is above the title of a page. If you disagree with something or just want to suggest anything, please write it there! Do not forget to sign (by entering four tildes: ~~~~) or press the **"Signature"** button above the text field.

**We wish you easy work and studying with the Wikilectures!**
