 **Welcome to WikiLectures!**

First steps

- Help articles can really help you at the beginning. Our help section is short and useful! :-)
- Please, introduce yourself on your new user page.
- If you need to experiment or test your edits, you have your own sandbox prepared.
- You can ask for our cooperation on the support page.

We wish you easy working and studying at WikiLectures!

Hygiene and Epidemiology

Hello VGRajaratnam,

let me welcome you to **WikiLectures**, the project for students of medicine. I hope you will find it useful not only for your work in **Hygiene and Epidemiology**, but for your studies as well.

I would like to recommend you **page for workgroup of Hygiene and Epidemiology**, where you will find the most important information. Our help articles may also help you. And if you feel unsure, have any problem or just have any question, feel free to ask us here or at our editorial FAQ page. **We are here to help you!**
